

Ph. D. Summer school on uncertainty in machine learning

Welcome

Organizers

Practicalities

- Check in at 14:25 today – we can get the keys in the reception
- Check out at 10 Friday
- Remember to settle your account at check-out
 - Drinks etc can be “put on the room”
- The summer school provides **one drink** for dinner and lunch
 - the rest is on your own pocket
- More information about beverages for the celebration dinner Thursday later

ECTS Registration

- You need to register here:
 - <https://uncertainty.compute.dtu.dk/registration/>
- After the summer school you can login and get your course certificate
- We will send you a reminder to get the certificate just after the summer school

Program

Updates happen

	Monday	Tuesday	Wednesday	Thursday	Friday
TIME	August 10	August 11	August 12	August 13	August 14

Posters

- Today after dinner
- Alex organizes poster-pitches and poster order
- A chance to know each other and establish collaborations

Social events

- Morning runs (meet at 7 at the reception)
- Wednesday afternoon event
 - More information will follow
- Summer school dinner Thursday evening
- Boardgames – when you want

Beach and Swimming

Be careful!

No lifeguard

**If you are not a good swimmer be
very careful – do not just follow
the others.**

Morning runs – prepared by Martin Kjer

Available on the homepage

Name: “Forest-run” - going east, loop through Gammel Hestehave and Halling Skov

Distance: 6 km

Description: Follow the hike-trail (Øhavsstien) until you reach Gammel Hestehave (a forest area with a big meadow/open area). Follow the large trails first north, then east into Halling Skov. At the 3 km mark, you should have reached the eastern most end, and can return back following the hike trail (Øhavsstien).
